Assessment Requirements for CUALGT511 Realise lighting designs

Assessment Requirements for CUALGT511 Realise lighting designs

Modification History

Release	Comments
Release 1	This version first released with CUA Creative Arts and Culture Training Package Version 5.0.

Performance Evidence

The candidate must demonstrate the ability to complete the tasks outlined in the elements, performance criteria and foundation skills of this unit, including evidence of the ability to:

- plan and supervise the implementation of lighting designs for at least one production or event.

In the course of the above, the candidate must:

- document a work plan for implementing the lighting designs, that include contingency strategies
- apply effective problem solving techniques to the realisation of lighting designs
- work collaboratively with lighting and production team when planning and realising lighting designs.

Knowledge Evidence

The candidate must be able to demonstrate knowledge to complete the tasks outlined in the elements, performance criteria and foundation skills of this unit, including knowledge of:

- techniques for planning work when realising lighting designs
- ways to address issues and challenges that typically arise when realising lighting designs
- safety requirements relevant to installing and operating lighting for productions and events
- industry trends and developments that impact on lighting operations
- where to source lighting equipment and accessories
- how to use lighting design specifications to realise a range of lighting effects
- use of lighting equipment and accessories to achieve different lighting effects.

Assessment Conditions

Skills in this unit must be demonstrated in a workplace or simulated environment where the conditions are typical of those in a working environment in this industry.

This includes access to:

- lighting designs and productions that require the implementation of lighting designs.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational education and training legislation, frameworks and/or standards.
