Release	Comments
Release 1	This version first released with CUA Creative Arts and Culture Training Package version 2.0.

Performance Evidence

Evidence of the ability to:

- play or sing selected simple pieces, demonstrating:
    - that applicable instrument maintenance, tuning and warmup activities have been applied
    - physical capacity, coordination and technical facility required for playing musical pieces accurately
    - a range of applicable techniques and basic control of rhythm, intonation and sound or tone production
- incorporate feedback from others and self-evaluation into improvement measures.

Note: If a specific volume or frequency is not stated, then evidence must be provided at least once.

Knowledge Evidence

To complete the unit requirements safely and effectively, the individual must:

- outline a basic understanding of the following points in relation to own instrument or voice:
    - common repertoire as recommended by relevant personnel (teacher or mentor)
    - musical terminology as applicable to the performance pieces
    - basic acoustic principles in producing sound
    - instrument parts or voice characteristics, applications, range, capabilities, care and maintenance
- outline correct posture and setup/warmup routines to develop healthy performance habits.

Assessment Conditions

Assessment must be conducted in a safe environment where evidence gathered demonstrates consistent performance of typical activities experienced in creative arts industry environments. The assessment environment must include access to:

- relevant instruments and equipment
- suitable physical and acoustic environment.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational educational and training legislation, frameworks and/or standards.
