| Release 1 | This version first released with CUA Creative Arts and Culture Training Package version 2.0. |

### Performance Evidence

Evidence of the ability to:

- prepare for hair and make-up continuity activities by documenting requirements scene by scene
- recognise the effect the filming process has on the appearance of make-up and hair
- maintain continuity of performers' make-up and hair quickly and efficiently throughout productions
- create detailed records, including photographs, of hair and make-up continuity information for productions
- work collaboratively with cast and crew during productions.

Note: If a specific volume or frequency is not stated, then evidence must be provided at least once.

### Knowledge Evidence

To complete the unit requirements safely and effectively, the individual must:

- outline protocols for interaction between cast and crew during film shoots
- explain how the process of shooting film productions affects hair and make-up continuity operations
- describe creative and technical aspects of productions relevant to the process of maintaining make-up and hair continuity
- outline administrative procedures and documentation associated with maintaining hair and make-up continuity
- describe safety procedures that apply to providing make-up and hair services.

## Assessment Conditions

Assessment must be conducted in a safe environment where evidence gathered demonstrates consistent performance of typical activities experienced in creative arts industry environments. The assessment environment must include access to:

- scripts for analysis
- hair and make-up products and equipment
- screen productions.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational educational and training legislation, frameworks and/or standards.
