Assessment Requirements for CUAPPM302 Plan and prepare program content

Release: 1

Assessment Requirements for CUAPPM302 Plan and prepare program content

Modification History

Release	Comments
Release 1	This version first released with CUA Creative Arts and Culture Training Package version 2.0.

Performance Evidence

Evidence of the ability to:

- consult with colleagues to identify and clarify program content requirements, potential content and preparation deadlines
- prepare or source program content that suits duration, style, target audience and time of program broadcast, within required timeframes
- write broadcast copy in line with program requirements and industry conventions
- work collaboratively and communicate effectively during development, debrief and evaluation sessions using appropriate industry terminology.

Note: If a specific volume or frequency is not stated, then evidence must be provided at least once.

Knowledge Evidence

To complete the unit requirements safely and effectively, the individual must:

- discuss ways to source information and develop, refine and communicate ideas for program content
- identify some of the main issues and challenges of preparing program content
- outline aspects of program format to be considered for a particular program profile
- outline relevant legislation and broadcasting codes of practice that may impact program content
- describe conventions of developing broadcast copy
- outline key documentation associated with program preparation.

Assessment Conditions

Assessment must be conducted in a safe environment where evidence gathered demonstrates consistent performance of typical activities experienced in creative arts industry environments. The assessment environment must include access to:

- situations that require preparation of program content
- information sources for program content, program items, laws and regulations.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational educational and training legislation, frameworks and/or standards.
