Modification History

Release	Comments
Release 1	This version first released with CUA Creative Arts and Culture Training Package version 2.0.

Application

This unit describes the skills and knowledge required to plan and prepare content for a range of broadcast media programs.

It applies to individuals who work on daily or weekly pre-recorded or live media programs where the target audience and program style have already been defined. They work autonomously within clear guidelines, typically with a producer or director supervising program preparation.

No licensing, legislative or certification requirements apply to this unit at the time of publication.
