**Release: 2**

# Assessment Requirements for CUAPRP201 Develop basic prop construction skills

## Modification History

Release	Comments
Release 2	This version released with CUA Creative Arts and Culture Training Package version 2.0. Updated assessment conditions section. Updated modification history section to reflect changed name of training package.
Release 1	This version first released with CUA Creative Arts and Culture Training Package version 1.0.

## Performance Evidence

Evidence of the ability to:

- use basic techniques, materials and equipment to construct simple props for at least one production
- follow safety procedures
- work cooperatively with others.

Note: If a specific volume or frequency is not stated, then evidence must be provided for each of the above points at least once.

## Knowledge Evidence

To complete the unit requirements the individual must describe:

- properties and applications of materials commonly used for prop construction
- types of tools and techniques commonly used for prop construction
- safety and environmental issues associated with the use of tools, materials and adhesives
- link between the intended use of a prop and the selection of materials and construction method.

## Assessment Conditions

Assessment must be conducted in a safe environment where evidence gathered demonstrates consistent performance of typical activities experienced in creative arts industry environments. The assessment environment must include access to basic materials and equipment used in prop construction.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational educational and training legislation, frameworks and/or standards.
