Performance Evidence

Evidence of the ability to:

- assist with stage managing creative rehearsals for at least two productions or events
- create, update and use production reference documents during rehearsals
- work collaboratively.

Note: If a specific volume or frequency is not stated, then evidence must be provided for each of the above points at least once.

Knowledge Evidence

To complete the unit requirements the individual must:

- explain the purpose of a range of documentation used for stage managing different types of productions or events
- describe communication techniques used to provide prompts and cues to performers and crew during rehearsals and performances
- explain the role of stage management personnel in the following areas:
 - audio
 - company management
 - costume
 - lighting
 - production management
 - props
 - set construction

- staging
- vision systems
- describe issues and challenges that can arise when assisting with the stage management of creative rehearsals, and provide examples of action that could be taken suitable to own level of responsibility.

Assessment Conditions

Assessment must be conducted in a safe environment where evidence gathered demonstrates consistent performance of typical activities experienced in creative arts industry environments. The assessment environment must include access to rehearsal rooms and facilities.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational educational and training legislation, frameworks and/or standards.
