Assessment Requirements for CUASMT511 Stage manage productions and events

Release: 1

Assessment Requirements for CUASMT511 Stage manage productions and events

Modification History

Release	Comments
Release 1	This version first released with CUA Creative Arts and Culture Training Package Version 5.0.

Performance Evidence

The candidate must demonstrate the ability to complete the tasks outlined in the elements, performance criteria and foundation skills of this unit, including evidence of the ability to:

- stage manage at least one production or event.

In the course of the above, the candidate must:

- manage competing tasks within time constraints experienced during the running of live productions or events
- apply the technical, staging and artistic aspects of the production or event to the stage management process
- work collaboratively others involved in the production or event.

Knowledge Evidence

The candidate must be able to demonstrate knowledge to complete the tasks outlined in the elements, performance criteria and foundation skills of this unit, including knowledge of:

- documentation used for stage managing productions and events
- key factors involved in the successful stage management of productions and events
- issues and challenges that can arise when stage managing productions and events, and solutions to address them
- industry standard technology used to automate aspects of performances
- the role of stage management personnel in the following production areas:
  - audio
  - costume
  - lighting
  - production management
  - show control
  - staging

- technical equipment operation
- vision systems.

Assessment Conditions

Skills in this unit must be demonstrated in a workplace or simulated environment where the conditions are typical of those in a working environment in this industry.

This includes access to:

- venues or sites with facilities for cast and crew
- public for performance.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational education and training legislation, frameworks and/or standards.
