Release 2

CUASS00032 Set Construction Skill Set

Modification History

Release	Comments
Release 2	This version released with CUA Creative Arts and Culture Training Package version 2.0. Unit codes updated. Minor text edits.
Release 1	This skill set first released with CUA Creative Arts and Culture Training Package Version 1.0.

Description

This skill set addresses the skills and knowledge required to construct sets.

Pathways Information

The units provide credit towards CUA20215 Certificate II in Creative Industries, CUA30415 Certificate III in Live Production and Services, CUA40415 Certificate IV in Live Production and Technical Services and other qualifications that allow for selection of these units.

Licensing/Regulatory Information

Sets and staging for some performances or events may fall within the definition of construction work. If so, people entering the construction site are required to complete the general induction training program specified by the National Code of Practice for Induction Training for Construction Work (Australian Safety Compensation Council, May 2007). The unit 'CPCCOHS1001A Work safely in the construction industry' fulfils this requirement.

Skill Set Requirements

CPCCCA2002B Use carpentry tools and equipment
 CPCCOHS1001A Work safely in the construction industry
 CPCCOHS2001A Apply OHS requirements, policies and procedures in the construction industry
 CPCCVE1011A Undertake a basic construction project
 CUASET201 Develop basic skills in set construction
 CUAWHS302 Apply work health and safety practices

Target Group

This skill set is for individuals working, or planning to work, in the entertainment industry in set construction.

Suggested words for Statement of Attainment

These units of competency from CPC08 Construction, Plumbing and Services and CUA Creative Arts and Culture Training Packages to meet industry requirements for training in set construction.
