**Release 2**

## CUASS00092 Sustainability Skill Set

### Modification History

Release	Comments
Release 2	This version first released with CUA Creative Arts and Culture Training Package Version 6.0.  Correction to Mapping Information. Supersedes and is equivalent to CUASS00036 Sustainability Skill Set.
Release 1	This version first released with CUA Creative Arts and Culture Training Package Version 5.0.

### Description

This skill set addresses the skills and knowledge required to evaluate and improve sustainability practices.

### Pathways Information

The units provide credit towards CUA30120 Certificate III in Live Production and Technical Services, CUA40420 Certificate IV in Live Production and Technical Services, CUA50420 Diploma of Live Production and Technical Services, CUA50420 Diploma of Live Production and Technical Services, CUA60220 Advanced Diploma of Live Production and Management Services and other qualifications that allow for selection of these units.

### Licensing/Regulatory Information

Sets and staging for some performances or events may fall within the definition of construction work. If so, people entering the construction site are required to complete the general induction training program specified by the Model Code of Practice: Construction work (Safe Work Australia 2018). The unit 'CPCCWHS1001 Prepare to work safely in the construction industry' fulfils this requirement.

Relevant work health and safety state and territory regulatory authorities should be consulted to confirm additional jurisdictional requirements.

### Skill Set Requirements

BSBSUS511 Develop workplace policies and procedures for sustainability  
 CPCCWHS1001 Prepare to work safely in the construction industry  
 CUAPPR512 Develop sustainability of own professional practice  
 MSS014008 Improve sustainability through readily implementable change

MSS014009 Evaluate sustainability impact of a work or process area

## **Target Group**

This skill set is for individuals who are responsible for the sustainability practices used during the pre-production, production and post-production stages of live performances.

## **Suggested words for Statement of Attainment**

These units of competency from the BSB Business Services, CPC Construction, Plumbing and Services, CUA Creative Arts and Culture and MSS Sustainability Training Packages meet industry requirements for evaluating and improving sustainability practices.
