CUASTA212 Assist with bump in and bump out of shows

Release: 1

CUASTA212 Assist with bump in and bump out of shows

Modification History

Release	Comments
Release 1	This version first released with CUA Creative Arts and Culture Training Package Version 5.0.

Application

This unit describes skills and knowledge required to assemble, pack, load and unload physical elements for productions in the screen, media, entertainment and events industries. It involves preparing physical elements to be transported, moving elements upon arrival and confirming no damage has been sustained during transportation.

The unit applies to those who assist with moving and loading production equipment under the direct supervision of experienced personnel.

No licensing, legislative or certification requirements apply to this unit at the time of publication.

Unit Sector

Media and Entertainment Production – Staging

Elements and Performance Criteria

ELEMENT	PERFORMANCE CRITERIA
<i>Elements describe the essential outcomes.</i>	<i>Performance criteria describe the performance needed to demonstrate achievement of the element.</i>
1.
