Application

This unit describes the skills and knowledge required to develop works of nonfiction suitable for publication.

It applies to individuals, working as commissioned or independent writers, who write nonfiction works. Research of the topic of nonfiction material, alongside text types and method of delivery are significant steps in the process of creating nonfiction work. Guidance from others and rigorous testing for accuracy play significant roles in the refinement of the final product.

No licensing, legislative or certification requirements apply to this unit at the time of publication.
