### Qualification Description

This qualification allows for the attainment of competencies in explosive ordnance.

No licensing, legislative or certification requirements apply to this qualification at the time of publication.

## Packaging Rules

11 units of competency are required for this qualification:

- 4 core units
- 7 elective units

Choose a minimum of 5 electives from the list below.

No more than 1 HLTAID unit from this list can be used for this qualification.

Choose the remaining 2 electives from the list below or from elsewhere within this training package, or from another endorsed training package, or from an accredited course.

All elective units selected from outside this qualification must reflect the occupational and learning outcomes of this AQF qualification level. Seek further advice on selecting imported units of competency in the DEF Implementation Guide.

**Elective units selected must not duplicate content already covered by other units in this qualification.**
