DEF43315 Certificate IV in Work Health Safety

Modification History

Release	Comments
1	This qualification was released in DEF Defence Training Package release 1.0 and meets the Standards for Training Packages. This qualification supersedes and is equivalent to DEF42512 Certificate IV in Work Health Safety. • DEF unit codes updated • Imported units updated

Qualification Description

This qualification allows for the attainment of competencies in Work Health Safety.

No licensing, legislative or certification requirements apply to this qualification at the time of publication.

Packaging Rules

10 units of competency are required for this qualification:

- 6 core units
- 4 elective units

Choose a minimum of 2 electives from the list below.

Choose the remaining 2 electives from the list below or from elsewhere within this training package, or from another endorsed training package, or from an accredited course.

All elective units selected from outside this qualification must reflect the occupational and learning outcomes of this AQF qualification level. Seek further advice on selecting imported units of competency in the DEF Implementation Guide.

Where a prerequisite unit is attached to an elective unit it is identified by this symbol ⌊.

The prerequisite units attached to any of the elective units must be undertaken and are additional to the number of elective units required for the qualification.
Elective units selected must not duplicate content already covered by other units in this qualification.

Core units	
DEFGEN012	Provide technical advice
DEFWHS016	Conduct work health and safety inspections
BSBWHS404	Contribute to WHS identification, risk assessment and risk control
BSBWHS402	Assist with compliance with WHS laws
BSBWHS401	Implement and monitor WHS policies, procedures and programs to meet legislative requirements
