

**Australian Government**

# **DEF50817 Diploma of Defence Financial Management**

**Release 1**

# DEF50817 Diploma of Defence Financial Management

## Modification History

**Release 1.** This is the first release of this qualification in the DEF Defence Training Package.

## Qualification Description

This qualification allows for the attainment of competencies in Government public sector financial management activities.

No licensing, legislative or certification requirements apply to this qualification at the time of publication.

## Packaging Rules

11 units of competency are required for this qualification comprising:

- 5 core units listed below, plus
- 6 elective units.

Choose a minimum of 4 elective units from the list below, of which 2 units must be taken from Group A.

Choose the remaining 2 elective units from the elective unit lists below or from elsewhere within this training package, or from another endorsed training package, or from an accredited course.

All elective units selected from outside this qualification must support the learning outcomes of this AQF qualification level.

**Elective units selected must not duplicate content already covered by other units within this qualification.**

Where imported units are selected, care must be taken to ensure that all prerequisite units specified are complied with.
