Application

This unit describes the skills required to conduct services of worship, sacramental and discipleship activities and facilitate faith observances and activities within an organisational structure.

This unit was developed for Defence Chaplains but may be relevant to others who work in this field.

The skills and knowledge described in this unit must be applied within the legislative, regulatory and policy environment in which they are carried out. Organisational policies and procedures must be consulted and adhered to.

Those undertaking this unit would work independently, while performing complex tasks in a mainly predictable context.

No licensing, legislative or certification requirements apply to unit at the time of publication.
