Assessment Requirements for DEFEXO112 Detect, record and collect evidence

Release: 1

Assessment Requirements for DEFEXO112 Detect, record and collect evidence

Modification History

Release	Comments
1	These Assessment Requirements were released in DEF Defence Training Package release 1.0 and meet the Standards for Training Packages. • Assessment Requirements created drawing upon specified assessment information from superseded unit

Performance Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the candidate must demonstrate evidence of performance of the following on at least one occasion.

- applying resource management
- applying time management
- handling exhibits and preserving continuity of evidence
- making decisions and solving problems in relation to items of evidence
- using specialised evidence recording equipment

Knowledge Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the depth of knowledge demonstrated must be appropriate to the job context of the candidate.

Basic knowledge of:

- application and limitations of forensic investigative techniques
- legislative, policy, and quality system requirements for the collection, preservation, continuity and disposal of evidence
- legislative, policy, and quality system context in which forensic examinations are conducted
- role and functions of other forensic discipline specialists in recording, collecting, preserving and continuity of physical evidence

Operational knowledge of:

- legislative, policy, and quality system requirements for search and the seizure of evidence
- legislative, policy and quality system requirements for the security, protection and preservation of the evidence
- range of techniques available for recording, collecting, packaging and preserving evidence
- required documentation for recording and collecting of evidence

Assessment Conditions

Competency should be assessed in an actual workplace or in a simulated environment, with access to equipment and infrastructure appropriate to the outcome. Competency should be demonstrated over time to ensure the candidate is assessed across a variety of situations.

Assessors must satisfy the NVR/AQTF mandatory competency requirements for assessors.
