Assessment Requirements for DEFGEN007 Conduct risk assessment in a Defence environment

Release: 1

Assessment Requirements for DEFGEN007 Conduct risk assessment in a Defence environment

Modification History

Release	Comments
1	These Assessment Requirements were released in DEF Defence Training Package release 1.0 and meet the Standards for Training Packages. • Assessment Requirements created drawing upon specified assessment information from superseded unit

Performance Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the candidate must demonstrate evidence of performance of the following on at least one occasion.

- reading and complying with the organisation's plans, policies and procedures
- evaluating a situation by listening, observing and clarifying information with supervisor
- making notes of observations
- providing and receiving feedback in a constructive manner
- using problem solving skills for a defined range of problems
- presenting mathematical ideas in appropriate format
- defining and identifying risk language, definitions and terminology
- analysing risks using the methodology and procedures approved by the organisation

Knowledge Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the depth of knowledge demonstrated must be appropriate to the job context of the candidate.

- organisational policies, procedures and guidelines
- aims and objectives of the task
- risk management terminology and language in accordance with relevant standards
- techniques/methods used to identify or analyse information
- specified methods or tools endorsed by an organisation and provided for use in the identification and analysis of risk

    Australian Industry Standards

Assessment Conditions

Competency should be assessed in an actual workplace or in a simulated environment, with access to equipment and infrastructure appropriate to the outcome. Competency should be demonstrated over time to ensure the candidate is assessed across a variety of situations.

Assessors must satisfy the NVR/AQTF mandatory competency requirements for assessors.
