Release: 1

Assessment Requirements for DEFGEN022 Obtain images suitable for publication within Defence

Modification History

Release	Comments
1	<p>These Assessment Requirements were released in DEF Defence Training Package release 1.0 and meet the Standards for Training Packages.</p> <ul style="list-style-type: none">Assessment Requirements created drawing upon specified assessment information from superseded unit

Performance Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the candidate must demonstrate evidence of performance of the following on at least one occasion.

- demonstrating an awareness of current affairs, Defence issues and public relations objectives

Knowledge Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the depth of knowledge demonstrated must be appropriate to the job context of the candidate.

- image newsworthiness
- types of image publications prefer for particular stories
- technical photographic knowledge
- use of computers and specialist software to manipulate images in electronic format
- ADF public affairs objectives and the characteristics of Defence public affairs organisations
- Defence News Editorial Board guidelines
- Australian Journalists Association Code of Ethics
- relevant legislation

Assessment Conditions

Competency should be assessed in an actual workplace or in a simulated environment, with access to equipment and infrastructure appropriate to the outcome. Competency should be demonstrated over time to ensure the candidate is assessed across a variety of situations.

Assessors must satisfy the NVR/AQTF mandatory competency requirements for assessors.
