Assessment Requirements for DEFLAW001 Provide advice on service discipline law

Release: 1

Assessment Requirements for DEFLAW001 Provide advice on service discipline law

Modification History

Release	Comments
1	These Assessment Requirements were released in DEF Defence Training Package release 1.0 and meet the Standards for Training Packages. • Assessment Requirements created drawing upon specified assessment information from superseded unit

Performance Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. The candidate must demonstrate evidence of performance of the following on at least one occasion.

- communicating orally
- conducting briefings
- responding to questioning
- listening
- reflecting
- undertaking research
- providing advice that is relevant and appropriate to the circumstances

Knowledge Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the depth of knowledge demonstrated must be appropriate to the job context of the candidate.

- ADF judicial policies and procedures for service tribunals
- application of DFDA to service members
- composition and content of the Defence Law Manual (DLM) and other relevant law including offences under the DFDA and the principles
- equity and diversity principles
- nature and limits of Defence jurisdiction
- origin and structure of the Defence legal system
- role, duties and powers of a discipline officer

- scales of punishment
- service tribunal procedures and processes

Assessment Conditions

Competency should be assessed in an actual workplace or in a simulated environment, with access to equipment and infrastructure appropriate to the outcome. Competency should be demonstrated over time to ensure the candidate is assessed across a variety of situations.

Assessors must satisfy the NVR/AQTF mandatory competency requirements for assessors.
