Assessment Requirements for DEFMIL024 Conduct military searches

Release: 1

Assessment Requirements for DEFMIL024 Conduct military searches

Modification History

Release	Comments
1	These Assessment Requirements were released in DEF Defence Training Package release 1.0 and meet the Standards for Training Packages. • Assessment Requirements created drawing upon specified assessment information from superseded unit

Performance Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the candidate must demonstrate evidence of performance of the following on at least one occasion.

• selecting and using items of equipment appropriate to the type of search and the environment
• employing correct search drills and procedures for personnel and property
• protecting evidence

Knowledge Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the depth of knowledge demonstrated must be appropriate to the job context of the candidate.

• WHS requirements
• policies and procedures, government legislation and international conventions related to conducting searches
• safety and security of persons and property during searches
• duty of care
• teamwork principles and strategies
• techniques for supporting others
• composition of teams and roles and responsibilities of team members
• verbal and non-verbal communication techniques including language style, active listening
• written communication to a level required to complete workplace forms and reports

Assessment Conditions

Competency should be assessed in an actual workplace or in a simulated environment, with access to equipment and infrastructure appropriate to the outcome. Competency should be demonstrated over time to ensure the candidate is assessed across a variety of situations.

Assessors must satisfy the NVR/AQTF mandatory competency requirements for assessors.
