 - maintaining hygiene plan
 - maintaining obstacles
 - monitoring surveillance devices
 - observing arcs
 - range cards
 - rehearsals
 - searching ground

- stand to/down
- standing patrols
- track discipline
- using the ground

Knowledge Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the depth of knowledge demonstrated must be appropriate to the job context of the candidate.

- battle craft
- characteristics, technical capabilities, effects, employment and limitations of equipment
- fire control orders
- orders for open fire

Assessment Conditions

Competency should be assessed in a simulated operational threat environment. The person should be exposed to the extremes of the operational environment under physical and mental stress. The context of assessment would usually be simulated due to the nature of this high risk environment. Competency should be demonstrated over time and in a range of contexts that could be expected in the workplace.

Assessors must satisfy the NVR/AQTF mandatory competency requirements for assessors.
