**Assessment Requirements for DEFMIL136
Supervise the operation of direct fire
support weapons**

Release: 1

Assessment Requirements for DEFMIL136 Supervise the operation of direct fire support weapons

Modification History

Release	Comments
1	<p>These Assessment Requirements were released in DEF Defence Training Package release 1.0 and meet the Standards for Training Packages.</p> <ul style="list-style-type: none">• Assessment Requirements created drawing upon specified assessment information from superseded unit

Performance Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the candidate must demonstrate evidence of performance of the following on at least one occasion.

- interpreting orders
- directing and controlling the direct fire support weapon crew
- supervising both sustained fire machine gun and medium direct fire support weapons
- supervising sight testing
- supervising non-technical inspections

Knowledge Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the depth of knowledge demonstrated must be appropriate to the job context of the candidate.

- ammunition identification:
 - type
 - colour
 - hazard band
 - labelling
 - markings
 - lot/batch numbers
 - packaging
 - nomenclature
- safety precautions associated with the task

Assessment Conditions

Competency should be demonstrated in a simulated operational environment over time while firing live high explosive and ball link ammunition. Specifically, access is required to the following resources:

- at least two direct fire support weapons of each type, such as sustained fire machine gun and medium direct fire support weapons
- competent direct fire support weapon crews
- live ammunition
- a live firing range

Assessors must satisfy the NVR/AQTF mandatory competency requirements for assessors.
