Assessment Requirements for DEFSEA003 Control persons using non-firearms options

Release: 1

Assessment Requirements for DEFSEA003 Control persons using non-firearms options

Modification History

Release	Comments
1	<p>These Assessment Requirements were released in DEF Defence Training Package release 1.0 and meet the Standards for Training Packages.</p> <ul style="list-style-type: none"> Assessment Requirements created drawing upon specified assessment information from superseded unit

Performance Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the candidate must demonstrate evidence of performance of the following on at least one occasion.

- applying basic problem solving strategies
- applying observation techniques
- recording and reporting information
- minimising threat to self and others by using appropriate force using force principles and defensive techniques
- managing and selecting response options within specified legal and strategic requirements
- assessing situations and readjusting or discontinuing the response as determined by unexpected changes in circumstances
- handling of batons and hand restraints to ensure retention and continued control

Knowledge Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the depth of knowledge demonstrated must be appropriate to the job context of the candidate.

- legislative and/or legal provisions governing:
 - use of force (reactive, proactive)
 - misuse of force
 - duty of care under criminal, civil and international law
- response options that are most effective for the objective, within specified legal and strategic limits

-

Assessment Conditions

Competency should be assessed in an actual workplace or in a simulated environment, with access to equipment and infrastructure appropriate to the outcome. Competency should be demonstrated over time to ensure the candidate is assessed across a variety of situations.

Assessors must satisfy the NVR/AQTF mandatory competency requirements for assessors.
