DEFSS00038 Dive Supervisor Skill Set

Release: 1

DEFSS00038 Dive Supervisor Skill Set

Modification History

Release 1. New skill set.

This is the first release of this skill set in the DEF Defence Training Package.

Description

This skill set applies to Australian Defence Force (ADF) Dive Team Leaders who supervise work dive team members.

Pathways Information

This skill set is part of the DEF Defence Training Package.

The skill set can be a standalone outcome or the units may contribute to the achievement of relevant qualifications.

Licensing/Regulatory Information

No licensing, legislative or certification requirements apply to this skill set at the time of publication.

Skill Set Requirements

A total of **three (3)** units of competency must be attained.

DEFWDV034	Perform non-technical structural inspections under water
DEFWDV035	Perform underwater rigging work
DEFWDV039	Support self-contained underwater breathing apparatus (SCUBA) diving operations from the surface

Target Group

This skill set is relevant for Defence members required to supervise work dive team members.

Suggested words for Statement of Attainment

The DEFSS00038 Dive Supervisor Skill Set meets the industry requirements of an ADF Dive Team Leader who is part of the RAN Clearance Diver and Army Combat Diver workforce.
