Employability Skills Summary

Employability Skills Summary for DEF32112 Certificate III in Regional Surveillance Operations

Employability Skills are part of a unit of competency.

Employability Skills statements from a selection of units of competency from the DEF32112 Certificate III in Regional Surveillance Operations have been reproduced in the table below. This table provides an example of Employability Skills for the qualification because Employability Skills within a qualification will vary depending on the qualification packaging options.

Employability Skill	Employability Skills Statement
	Defence qualifications have core units (which must be achieved) and elective units (where there is a choice of units which must be achieved) so different Employability Skills Summaries are possible within the one qualification, depending on the package of core units and chosen elective units.
Communication	- access, interpret and rehearse fire emergency procedures - access, read and interpret local emergency procedures - adjust own communication styles to reflect equity and diversity - apply appropriate techniques when providing constructive feedback to other team members, and giving and receiving support to/from team members - apply interpersonal and cross-cultural communication strategies - apply non operational and operational communication processes - communicate en-route and arrival, reporting information - comply with range safety brief and practice brief - detect and report sign - direct driver - ensure communication is achieved through non-verbal signals - ensure that information, knowledge and skills are communicated effectively and shared - ensure written communication is to a level required to complete workplace forms and reports - follow indicated route - follow legislative and statutory requirements - follow standard procedures, safety procedures, instructions, organisation policies and guidelines - identify and rectify defects, within limits of authority or report to supervisor - identify, confirm and report the nature and scope of the fire - prepare navigation records - receive and apply orders and send and receive simple non-verbal signals - receive and clarify (where required) security operation orders

	• recognise and report breaches of organisational codes of ethics and/or practice and statements of values • report unanticipated access difficulties • use record of proposed route and navigation aids • use verbal and non-verbal communication techniques including language style, active listening • usually operate under direct orders for opening fire
Teamwork	• adhere to formations • assist in the completion of tasks when requested by other teams members and is appropriate • contribute to identifying team goals and objectives • encourage and acknowledge participation by team members • guide and facilitate teams • recognise and apply equity and diversity principles • recognise, value and adjust own behaviour to individual differences in the workplace by treating others with respect and dignity • seek support where required to enable identification and implementation of positive alternatives to personal problems • share and communicate effectively between team members, information, knowledge and skills relevant to work • understand principles of teamwork and team's aims and objectives • undertake surveillance patrols as part of a team • work in an acceptable and non-discriminatory manner while establishing rapport and good working relationships with all colleagues • work under supervision and usually as part of a team • work with others and make a positive contribution to the effectiveness and efficiency of a team
Problem solving	• apply immediate action and stoppage drills • apply navigational techniques • assess a fire situation and determine an appropriate course of action • carry out patrol rehearsals • conduct patrol drills and procedures • continually assess the environment to identify the threat or their sign • effectively react to changes in the operating environment necessitating re-planning of course • extinguish fires • identify and engage targets • identify and rectify defects within limits of authority

	• identify weaknesses exploitation • interpret cartographic information, navigation techniques, local and environmental conditions • minimise personal signature • navigate to destination • select the type of camouflage required for a particular situation, and detect the capabilities of the threat
Initiative and enterprise	• use improvised techniques appropriately such as minimising personal signature
Planning and organising	• apply bayonet fighting drills • assess a tactical situation so that appropriate camouflage and concealment techniques can be applied • assess factors influencing camouflage and concealment • assess the environment so that appropriate camouflage and concealment techniques can be applied • assess threat's detection capabilities • conduct weapon drills • demonstrate understanding of, and apply throughout operation, occupational health and safety requirements and recognised safety precautions including those contained in the Australian Defence Force procedures • determine and plan a safe route • determine current location, destination and resources • gather and check relevant maps and navigation equipment • prepare for patrolling • select appropriate routes
Self-management	• commit to the jurisdiction's laws and the organisation's policy procedures • comply with workplace equity and diversity practices • conduct self in a manner that shows sensitivity to the differences between colleagues • ensure personal preparation is carried out • identify, plan and implement personal development strategies • model and maintain high standards of personal performance, ethics and integrity • monitor and manage personal physical and emotional health • recognise limit of own authority • review, monitor and self-assess own performance • regularly seek formal and informal performance feedback
Learning	• access, interpret and rehearse fire emergency procedures • apply bayonet fighting skills • apply immediate action and stoppage drills

	• carry out patrol rehearsals • conduct patrol drills and procedures
Technology	• check and assemble equipment • check, identify, select and use firefighting equipment • clean weapons • employ the weapons and weapon sighting systems and associated equipment • fill and empty a magazine • handle weapons safely in an operational environment • identify, select and safely handle ammunition • recover, reset, update and service navigational equipment • safely handle and carry a service rifle • strip, assemble and clean the F88 • test or check equipment • use communications and signalling devices • use emergency devices (e.g. parachute, life-raft) • use field equipment • use technology

Packaging Rules

Qualification Requirement: **19 units**
All 6 core units, **plus 6 units from the combat specialisation elective units**, **plus 7 general elective units**
Specialisation elective units should be selected from the fields that most closely align to an individual's occupational outcomes.
The 7 general elective units may be taken from the general elective units listed below, or may include 2 units taken from within this Training Package or any other endorsed Training Package at the same qualification level or a higher level.

Code	Core Units
DEFCA405B	Undertake surveillance patrol tasks
DEFCM001B	Use personal camouflage and concealment in a threat environment
DEFCM101C	Operate a service rifle
DEFEQ001C	Work with equity and diversity
PUATEA001B	Work in a team
BSBCMN211A	Participate in workplace safety procedures

Code	Specialisation Elective Units

Combat Field

DEFCA001B	Observe and monitor hostile areas to detect targets
DEFCA002B	Operate remote sensors to detect targets
DEFCA003B	Operate a radar to locate targets
DEFCA004B	Conduct military searches
DEFCA005B	Operate communications equipment
DEFCA304B	Prepare, operate and maintain small watercraft
DEFCA404B	Undertake reconnaissance tasks
DEFCA406B	Operate a service pistol
DEFCA407B	Operate a sustained fire machine gun
DEFCA411B	Operate a grenade launcher
DEFCA413B	Operate a direct fire support weapon
DEFCA415B	Operate anti-personnel weapon
DEFCA416C	Employ hand operated pyrotechnics
DEFCA419B	Operate a service rifle on operations
DEFCA420B	Operate a light support weapon on operations
DEFCM103C	Operate a service hand grenade

DEFTP001B	Operate a vehicle in an environment of threat
DEFTP002B	Operate a vehicle at night
DEFTP003B	Operate a vehicle over difficult terrain
DEFTP004B	Operate a vehicle at night using night fighting equipment (NFE)
PUAEME001B	Provide emergency care
TDMMC901B	Manoeuvre a domestic vessel of less than 12 metres in length operating within inshore limits
TDMMH1202A	Plan and navigate a short voyage within inshore limits

Code	**General Elective Units**
BCG1006A	Use small plant and equipment
BSBCMN203A	Communicate in the workplace
BSBCMN206A	Process and maintain workplace information
BSBSUS201A	Participate in environmentally sustainable work practices
HLTFA2A	Apply advanced first aid
PSPGOV204B	Access and use resources
PSPGOV207A	Use technology in the workplace
DEFEO201C	Respond to fire
PUAOPE003B	Navigate in urban and rural environments
PUATEA005A	Manage own professional performance
RTC1301A	Operate basic machinery and equipment
TDTC2501A	Operate four wheel drive vehicle
TDTC297B	Drive light rigid vehicle
TDTC397B	Drive medium rigid vehicle
TDTC497C	Drive heavy rigid vehicle
TDTD397C	Handle dangerous goods/hazardous substances
