Release: 1

DEFEO004 Assess the safety and suitability for service of explosive ordnance

Confidential Content

This unit of competency is not cleared for public access.

Defence units that require Defence clearance for access are not included in this document. Public access to these units has the potential to compromise Defence operations and security as well as place members of the public and Defence Officers at risk. These units are contained in a separate document and are only available to persons authorised by the Australian Defence Force. Contact [Government Skills Australia](http://www.governmentskills.com.au) <http://www.governmentskills.com.au> for more information.
