Release: 1

FBPOPR1006 Monitor process operation

Modification History

Release	Comments
Release 1	This version released with FBP Food, Beverage and Pharmaceutical Training Package Version 1.0

Application

This unit of competency describes the skills and knowledge required to monitor the operation of equipment used in a production process.

This unit applies to individuals who work in a food production environment alongside a supervisor in most situations and exercise limited autonomy.

All work must be carried out to comply with workplace procedures, in accordance with State/Territory work health and safety legislation that apply to the workplace.

No occupational licensing, legislative or certification requirements are known to apply to this unit at the time of publication.

Pre-requisite Unit

Nil

Unit Sector

Operational (OPR)
