Release 1

FBPSS00050 Milk Tanker Operator Skill Set

Modification History

Release	Comments
Release 1	This version released with FBP Food, Beverage and Pharmaceutical Training Package Version 4.0.

Description

This skill set is designed to provide milk tanker operators with the skills and knowledge around pre-competitive requirements for food safety compliance and testing.

Pathways Information

These units of competency provide credit towards a number of qualifications in the FBP Food, Beverage and Pharmaceutical Training Package, including:

- FBP20117 Certificate II in Food Processing
- FBP30117 Certificate III in Food Processing.

Licensing/Regulatory Information

No licensing or certification requirements apply to this skill set at the time of publication. However, legislative and regulatory requirements for food processing exist so local requirements must be checked. All work must comply with Australian food safety standards and relevant codes of practice.

Skill Set Requirements

- FBPOPR2009 Load and unload tankers
- FBPOPR2014 Participate in sensory analyses
- FBPOPR2066 Apply sampling procedures
- FBPOPR2070 Apply quality systems and procedures

Target Group

This skill set is for milk tanker operators who undertake milk transfer from farm to processor.

Suggested words for Statement of Attainment

These competencies from the FBP Food, Beverage and Pharmaceutical Training Package, meet the requirements for milk tanker operators who undertake milk transfer from farm to processor.
