FBPSS00056 Supervised Food Processing Operator Skill Set

Release 1

FBPSS00056 Supervised Food Processing Operator Skill Set

Modification History

Release	Comments
Release 1	This version released with FBP Food, Beverage and Pharmaceutical Training Package Version 6.0.

Description

This skill set is designed to cover the skills and knowledge required to begin work in a food processing setting, in an operational role under supervision. In this role workers have the technical skills to use a limited range of machinery and/or equipment to process food and carry out routine tasks guided by established procedures.

Pathways Information

These units of competency provide credit towards a number of qualifications in the *FBP Food, Beverage and Pharmaceutical Training Package*, including:

- FBP20121 Certificate II in Food Processing

Licensing/Regulatory Information

Legislative and regulatory requirements apply to food safety and are enforced through state/territory jurisdictions. Users must check with the relevant regulatory authority before delivery.

Skill Set Requirements

- FBPFSY2002 Apply food safety procedures
- FBPOPR2071 Provide and apply workplace information
- FBPOPR2096 Follow procedures to maintain good manufacturing practice in food processing
- FBPWHS2001 Participate in work health and safety processes

Target Group

This skill set is for those beginning work as an operator in a food processing workplace, who will carry out operational tasks under supervision.

Suggested words for Statement of Attainment

These competencies from the *FBP Food, Beverage and Pharmaceutical Training Package* meet the requirements for those entering the food processing industry.
