FBPWHS1001 Identify safe work practices

Modification History

Release	Comments
Release 2	This version released with FBP Food, Beverage and Pharmaceutical Training Package Version 6.0.
Release 1	This version released with FBP Food, Beverage and Pharmaceutical Training Package Version 1.0.

Application

This unit of competency describes the skills and knowledge required to recognise known workplace hazards and identify work health and safety requirements and procedures relating to work activities.

The unit applies to individuals who are new entrants to the food industry and work alongside a supervisor in most situations, exercising limited autonomy within established and well-known parameters.

All work must be carried out to comply with workplace procedures according to state/territory health and safety regulations, legislation and standards that apply to the workplace.

No licensing, legislative or certification requirements apply to this unit at the time of publication.

Pre-requisite Unit

Nil

Unit Sector

Work health and safety (WHS)
