FNSACC301 Process financial transactions and extract interim reports

Release: 1

FNSACC301 Process financial transactions and extract interim reports

Modification History

Release	Comments
Release 1	This version first released with FNS Financial Services Training Package Version 1.0.

Application

This unit describes the skills and knowledge required to prepare and process routine financial documents, prepare journal entries, post journals to ledgers, prepare banking and reconcile financial receipts, and extract a trial balance and interim reports.

It applies to individuals who use specialised knowledge and follow agreed processes to carefully check and process detailed financial information to ensure standards are maintained.

Work functions in the occupational areas where this unit may be used are subject to regulatory requirements. Refer to the FNS Implementation Guide Companion Volume or the relevant regulator for specific guidance on requirements.

Unit Sector

Accounting
