## FNSACC604 Monitor corporate governance activities

### Modification History

Release	Comments
Release 1	This version first released with FNS Financial Services Training Package Version 1.0.

### Application

This unit describes the skills and knowledge required to research corporate governance reporting trends, examine corporate governance standards and practices, and review compliance to develop and implement processes and procedures for meeting corporate governance obligations.

It applies to individuals who use and maintain current and specialised knowledge and analytical skills to provide advice on organisational processes to meet compliance and management requirements.

Work functions in the occupational areas where this unit may be used are subject to regulatory requirements. Refer to the FNS Implementation Guide Companion Volume or the relevant regulator for specific guidance on requirements.

### Unit Sector

Accounting
