**Release: 2**

# FNSACC608 Evaluate organisation's financial performance

## Modification History

Release	Comments
Release 2	This version first released with FNS Financial Services Training Package Version 3.1 Update to pre-requisite unit code

## Application

This unit describes the skills and knowledge required to evaluate returns to operations, determine short-term and long-term needs, and evaluate an organisation's financial position and performance.

It applies to experienced individuals who use specialised knowledge and skills to evaluate complex financial information and make recommendations relevant to strategic organisational activity.

Work functions in the occupational areas where this unit may be used are subject to regulatory requirements. Refer to the FNS Implementation Guide Companion Volume or the relevant regulator for specific guidance on requirements.

## Pre-requisite Unit

FNSACC511	Provide financial and business performance information
-----------	--

## Unit Sector

Accounting
