Application

This unit describes the skills and knowledge required to interpret and comply with industry regulations and codes of practice when considering the characteristics of financial products and services for individual client needs.

It applies to individuals with excellent communication skills who are authorised as Australian Securities and Investments Commission (ASIC) registered Australian financial services licence (AFSL) holders to provide advice on deposit products, non-cash payment facilities and general insurance products at Tier 2 level.

Work functions in the occupational areas where this unit may be used are subject to regulatory requirements. Refer to the FNS Implementation Guide Companion Volume or the relevant regulator for specific guidance on requirements.
