| Release 1 | This version first released with FNS Financial Services Training Package Version 1.0. | |

Application

This unit describes the skills and knowledge required to provide advisory services to small businesses with the intent of stimulating community and business development and involves provision of business advice including the business planning, marketing and opportunity seeking processes required to identify and capitalise on business opportunities and develop financing proposals.

It applies to individuals who provide specialised knowledge and services and have managerial responsibilities for building business and clients.

Work functions in the occupational areas where this unit may be used are subject to regulatory requirements. Refer to the FNS Implementation Guide Companion Volume or the relevant regulator for specific guidance on requirements.

Unit Sector

Banking
