FNSCUS505 Determine client requirements and expectations

Release: 1

FNSCUS505 Determine client requirements and expectations

Modification History

Release	Comments
Release 1	This version first released with FNS Financial Services Training Package Version 1.0.

Application

This unit describes the skills and knowledge required to establish a client's financial requirements and expectations in regard to financial investment products, and includes quotations, claims and requests for service or amendments.

It applies to individuals who may provide leadership, guidance and responsibility for work outcomes.

No licensing, legislative or certification requirements apply to this unit at the time of publication.

The unit does not cover the application of the specific skills and knowledge required to recommend and provide advice on specific financial products requiring Australian Securities and Investments Commission (ASIC) licensing.

Unit Sector

Customer service

Elements and Performance Criteria

ELEMENT	PERFORMANCE CRITERIA
<i>Elements describe the essential outcomes.</i>	<i>Performance criteria describe the performance needed to demonstrate achievement of the element.</i>
1. Develop awareness of clients' situation	<p>1.1 Obtain relevant facts and information courteously and professionally to determine clients' situation prior to defining their expectations, requirements and objectives</p> <p>1.2 Encourage clients to disclose relevant information to determine their personal and financial situation and special needs</p> <p>1.3 Develop summary analysis of clients' financial position and determine their contact category based on extent of client disclosure</p>

ELEMENT	PERFORMANCE CRITERIA
	1.4 Determine if clients require execution or settlement only action and, if that is the case, do not offer or provide further advice
2. Obtain relevant knowledge of clients' financial position and risk profile	2.1 Ascertain client s' financial position where relevant 2.2 Identify risk and fraud indicators accurately and consistently
3. Determine client expectations and requirements with respect to financial markets advice	3.1 Encourage clients to express and clarify their requirements, expectations and concerns, and respond promptly and appropriately to any identified concerns 3.2 Determine clients' investment needs and preferences with respect to financial product selection or portfolio 3.3 Obtain specialist advice where necessary or refer clients to appropriate personnel or organisation if required services are not available or cannot be provided 3.4 Analyse all information and facts provided by clients and determine appropriate risk or reward and asset allocation strategies in accordance with client requirements, organisational policy and guidelines, and relevant legislation or industry codes of practice
4. Prepare and update necessary documentation	4.1 Complete all relevant client facts, financial and personal histories and disclosure documents, and file in accordance with organisational policy and guidelines and relevant legislation and regulatory requirements 4.2 Create or update client records where necessary, and file client documentation and information in a format and location readily accessible to other advisers
