FNSFLT512 Facilitate customer awareness of the Australian financial system and markets

Release: 1

FNSFLT512 Facilitate customer awareness of the Australian financial system and markets

Modification History

Release	Comments
Release 1	This version first released with FNS Financial Services Training Package Version 6.0.

Application

This unit describes the skills and knowledge required to facilitate customer awareness of how the monetary and financial systems and markets operate in Australia, with the aim of enhancing basic consumer financial literacy.

The unit applies to those who use specialised knowledge to build relationships and/or contribute to the development of financial literacy in others.

No licensing, legislative or certification requirements apply to this unit at the time of publication.

Unit Sector

Financial literacy
