FNSFPL607 Prepare advice in margin lending

Release: 1

FNSFPL607 Prepare advice in margin lending

Modification History

Release	Comments
Release 1	This version first released with FNS Financial Services Training Package Version 5.0.

Application

This unit describes the skills and knowledge required to analyse client needs in regard to margin lending; and prepare advice ethically, professionally and in compliance with industry regulations and codes of practice.

The unit applies to those who use well-developed interpersonal, communication and self-management skills when performing a specialist advisory role in margin lending. The requirement to prepare advice may come from authorised representatives, including financial advisers, shareholders, financial organisations, stockbrokers, trustees, agents and intermediaries.

Work functions in the occupational areas where this unit may be used are subject to regulatory requirements. Users are advised to check with the relevant state and territory regulatory authorities to confirm those requirements.

Unit Sector

Financial planning

ELEMENT	PERFORMANCE CRITERIA
Elements describe the essential outcomes.	Performance criteria describe the performance needed to demonstrate achievement of the element.
1. Analyse client needs and risk profile	1.1 Analyse client needs using all information gathered and considering client's product expectations
	1.2 Consult with authorised representative throughout analysis for further clarification where necessary according to organisational procedures
	1.3 Identify need for specialist advice and ensure client is referred to appropriate adviser if required
	1.4 Assess and confirm client's product risk profile according to

Elements and Performance Criteria
