

FNSIBK416 Deliver insurance broking services

Release: 2

FNSIBK416 Deliver insurance broking services

Modification History

Release	Comments
Release 2	This version first released with FNS Financial Services Training Package Version 7.0. Minor changes to Element 4 and Performance Evidence.
Release 1	This version first released with FNS Financial Services Training Package Version 5.0.

Application

This unit describes the skills and knowledge required to deliver insurance broking services to clients. It includes responding to client enquiries for broking services, undertaking risk assessments, and establishing arrangements for providing ongoing services.

The unit applies to those who use well-developed communication and administrative skills when providing broking assistance in a range of client services. Individuals may work in small or large brokerage organisations dealing with retail and/or commercial clients.

Work functions in the occupational areas where this unit may be used are subject to regulatory requirements. Users are advised to check with the relevant state and territory regulatory authorities to confirm those requirements.

Unit Sector

Insurance broking

Elements and Performance Criteria

ELEMENT	PERFORMANCE CRITERIA
Elements describe the essential outcomes.	Performance criteria describe the performance needed to demonstrate achievement of the element.
Respond to client enquiries for broking services	1.1 Identify nature of broking services required to satisfy enquiry 1.2 Confirm information and identify research activities required to prepare response to enquiries according to organisational policies and procedures
	1.3 Conduct research, collect and process information, and prepare response according to legislative and organisational requirements

Approved Page 2 of 4

ELEMENT	PERFORMANCE CRITERIA
	1.4 Communicate information to client and seek feedback and additional requirements 1.5 Inform client of disclosure requirements according to legislative and regulatory requirements
2. Undertake risk assessment	 2.1 Determine client's insurance needs based on client objectives and by undertaking assessment of current risk situation 2.2 Identify and discuss insurable and non-insurable risk exposures with client 2.3 Identify cover requirement changes to client's existing insurance program as advised by client 2.4 Maintain and review record of assessment
3. Assess suitable cover and placement of risk	 3.1 Conduct product research to determine most suitable product to meet risk exposure 3.2 Review policy conditions relevant to client's risk exposures 3.3 Conduct market research to determine suitable insurers 3.4 Negotiate with insurers as required to obtain terms for placement of cover
4. Finalise insurance cover	 4.1 Review terms and conditions of insurer's offer and sums insured with client 4.2 Communicate outcomes of negotiations and detailed information on options available to client 4.3 Make recommendations to client and obtain client instructions to enable precise actions to be taken 4.4 Complete required documentation, and confirm premiums and statutory imposts prior to issuing instructions for completion of cover to insurer 4.5 Bind cover as instructed by client and issue documentation as required by organisational policies and procedures 4.6 Monitor payment of premium and hold covered terms
5. Agree to and implement arrangements for providing ongoing service	 5.1 Agree to type and form of ongoing services to provide 5.2 Implement procedures for agreed ongoing services according to organisational policies and procedures 5.3 Review client's claims history regularly and identify additional risk exposures associated with clients who regularly lodge claims 5.4 Undertake immediate changes to insurance program when requested by client 5.5 Review terms of renewals and remarkets if required 5.6 Confirm premium payments are made within required endorsement or renewal offer period 5.7 Provide claims service when required

Foundation Skills

This section describes those language, literacy, numeracy and employment skills that are essential to performance but not explicit in the performance criteria.

SKILL	DESCRIPTION
Numeracy	Performs calculations to determine insurance requirements and fees and costs according to predetermined methodologies
Oral communication	Speaks clearly using language, tone and pace suitable to audience and purpose
	Uses active listening and questioning techniques to clarify and confirm understanding
Reading	• Researches and interprets information from various sources in a range of formats to establish client needs and determine relevant products
	Gathers, analyses and interprets information on policy wording
Writing	Records and completes organisational documentation and correspondence
Planning and organising	Plans, organises and implements tasks, aiming to complete them efficiently and according to organisational requirements
Problem solving	Applies systematic and analytical decision-making processes to make informed recommendations in relation to risk assessment
Self-management	Follows legislative requirements and organisational protocols, policies and procedures relevant to own role
Teamwork	Selects and uses relevant communication conventions and protocols to liaise with clients and insurers in a range of contexts
	Uses collaboration techniques to negotiate agreed outcomes
Technology	Uses the main features and functions of digital tools to complete work tasks

Unit Mapping Information

No equivalent unit. Supersedes and is not equivalent to FNSIBK406 Deliver professional insurance broking services.
