

FNSILF303 Issue a life insurance policy

Release: 1

FNSILF303 Issue a life insurance policy

Modification History

Release	Comments	
Release 1	This version first released with FNS Financial Services Training Package Version 1.0.	

Application

This unit describes the skills and knowledge required to issue customers with a life insurance policy.

It applies to individuals who use organisational skills and specialised knowledge to undertake administrative services, including preparing documentation, entering information and dispatching the policy to customers.

Work functions in the occupational areas where this unit may be used are subject to regulatory requirements. Refer to the FNS Implementation Guide Companion Volume or the relevant regulator for specific guidance on requirements.

Unit Sector

Life insurance
