Release: 1

FNSINC412 Apply and maintain knowledge of financial products and services

Modification History

Release	Comments
Release 1	This version first released with FNS Financial Services Training Package Version 6.0.

Application

This unit describes the skills and knowledge required to apply and maintain an in-depth knowledge of the financial products and services provided by an organisation, or those an organisation uses, and how they may be applied to client needs.

The unit applies to those who work in various financial services industry job roles, with a wide range of financial products or services.

Work functions in the occupational areas where this unit may be used are subject to regulatory requirements. Users are advised to check with the relevant state and territory regulatory authorities to confirm those requirements.
