FNSISV406 Use specialist terminology in insurance claims

Release: 1

FNSISV406 Use specialist terminology in insurance claims

Modification History

Release	Comments
Release 1	This version first released with FNS Financial Services Training Package Version 1.0.

Application

This unit describes the skills and knowledge required to understand, use and respond to information involving specialist terminology, such as medical or legal terminology (and processes), in insurance claims.

It applies to individuals employed in job roles involving use of specialist medical and legal terminology in a range of insurance sectors and may be applied within organisations of various sizes and across a range of client bases.

Work functions in the occupational areas where this unit may be used are subject to regulatory requirements. Refer to the FNS Implementation Guide Companion Volume or the relevant regulator for specific guidance on requirements.

Unit Sector

Insurance services
