**Assessment Requirements for FNSPIM522
Facilitate workplace assessment with
stakeholders for personal injury cases**

Release: 1

Assessment Requirements for FNSPIM522 Facilitate workplace assessment with stakeholders for personal injury cases

Modification History

Release	Comments
Release 1	This version first released with FNS Financial Services Training Package Version 6.0.

Performance Evidence

The candidate must demonstrate the ability to complete the tasks outlined in the elements, performance criteria and foundation skills of this unit, including evidence of the ability to:

- facilitate workplace assessment with stakeholders for personal injury cases for at least three different clients.

Knowledge Evidence

The candidate must be able to demonstrate knowledge to complete the tasks outlined in the elements, performance criteria and foundation skills of this unit, including knowledge of:

- key features of legislative requirements as they relate to developing and implementing recommendations and monitoring workplace assessment results
- key industry principles relating to facilitating workplace assessment
- job analysis and redesign as it applies to workplace assessment for personal injury cases
- key features of organisational policies and procedures as they relate to the development, implementation and monitoring of workplace assessments and recommendations
- rehabilitation status reports
- resources used to modify workplace environments as a result of personal injury cases
- roles and functions of stakeholder groups available to support the evaluation process required to conduct injured persons' workplace assessments
- work health and safety (WHS) practices
- short and long-term workplace tasks and return to work (RTW) strategies for personal injury cases
- training and educational services relating to the adaptation of injured persons to workplace and equipment modifications.

Assessment Conditions

Skills in this unit must be demonstrated in a workplace or simulated environment where the conditions are typical of those in a working environment in this industry.

This includes access to:

- clients
- office equipment, technology, software and consumables
- organisational records, policies and procedures.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational education and training legislation, frameworks and/or standards.
