FNSRTS303 Balance retail transactions

Release: 1

FNSRTS303 Balance retail transactions

Modification History

Release	Comments
Release 1	This version first released with FNS Financial Services Training Package Version 1.0.

Application

This unit describes the skills and knowledge required to balance cash holdings, including clearing registers, counting money, calculating non-cash transactions and reconciling takings within institutions where teller cash dispensers automate a significant proportion of the cash balancing function.

It applies to individuals who have well-developed numeracy skills, accurately perform and check financial calculations, and closely follow organisational procedures.

No licensing, legislative or certification requirements apply to this unit at the time of publication.

Unit Sector

Financial retail services

Elements and Performance Criteria
