Release: 1

FNSSAM521 Apply advanced techniques to provide financial products and services

Modification History

Release	Comments
Release 1	This version first released with the FNS Financial Services Training Package Version 8.0. No equivalent unit. Supersedes and is not equivalent to FNSSAM511 Apply advanced techniques to sell financial products and services.

Application

This unit describes the skills and knowledge required to develop and implement a promotional strategy for financial products and services using advanced techniques and to monitor and evaluate its success. This will involve building an innovative and effective promotional plan for a team.

The unit applies to those who have responsibility and show leadership in initiating and developing strategic activities for a team or organisation.

No licensing, legislative or certification requirements apply to this unit at the time of publication.

Unit Sector

Sales and marketing
