## Modification History

Release	Comments
Release 1	This version first released with FNS Financial Services Training Package Version 3.0.

## Application

This unit describes the skills and knowledge required to record and prepare payroll documentation, respond to enquiries, and process payroll data for manual and computerised systems.

It applies to individuals, including BAS agents, who use a range of organisational and other specialist techniques. They may work directly for organisations or be small business owners, contractors or service providers.

Work functions in the occupational areas where this unit may be used are subject to regulatory requirements. This unit is designed to meet the education requirements of the Tax Practitioner Board (TPB). Refer to the FNS Financial Services Training Package Companion Volume Implementation Guide or the relevant regulator for specific guidance on regulatory requirements.
