FNS50910 Diploma of Banking Services Management

Revision Number: 1

FNS50910 Diploma of Banking Services Management

Modification History

Not applicable.

Description

This qualification is designed to flexibly reflect the job roles with team and business result responsibilities in banking or other deposit taking institutions' customer contact centres or retail financial services environments.

Pathways Information

Qualification Pathway

Preferred pathways for candidates entering this qualification include:

- FNS41010 Certificate IV in Banking Services
- FNS41210 Certificate IV in Mobile Banking

or relevant FNS10 qualifications from other industry sectors.

The primary pathway from this qualification is employment in banking and related organisations involving:

- team leader or manager roles in branch environments
- sales and marketing
- small business banking
- commercial and retail lending
- customer contact service centre management.

An Australian Apprenticeship pathway may be possible for this qualification depending on the State or Territory training authority declaration policy.

A further learning pathway utilising qualifications such as FNS60610 Advanced Diploma of Banking Services Management would support career progression. A further learning pathway could be study in relevant higher education programs. Learners should establish relevant qualifications and any credit arrangements that may apply in order to make appropriate elective choices in this qualification.
