FPISS00027 Skill set for a forestry log truck driver

Release 1

FPISS00027 Skill set for a forestry log truck driver

Modification History

FPI11 V2

Primary release with FPI11 Training Package V2

Description

Not applicable.

Pathways Information

This skill set provides credit towards a number of qualifications, including FPI30213 Certificate III in Harvesting and Haulage, which allows for specialisation for the role of log truck driver.

Licensing/Regulatory Information

In a number of jurisdictions, some of the units in this skill set are required for the issuing of licences to drive heavy vehicles, which include vehicles required to transport forestry logs from a forestry harvesting site.

Skill Set Requirements

Units FPICOR2203B Follow environmental care procedures
 FPICOR2205B Follow OHS policies and procedures
 FPICOT3261 Transport forestry logs using trucks

Target Group

This skill set is for people wishing to work as a log truck driver in commercial forest operations in the harvesting and haulage sector of the forest and forest products industry.

Suggested words for Statement of Attainment

These competencies from the FPI11 Forest and Forest Products Training Package meet the industry requirements for driving a log truck, as well as knowing the workplace procedures for loading and unloading log trucks. They may meet state and territory licensing requirements for driving heavy vehicles that transport forestry logs, depending on individual state requirements.
