Description

Not applicable.

Pathways Information

These units provide credit towards a number of qualifications, including:

FPI30311 Certificate III in Sawmilling and Processing

FPI30511 Certificate III in Timber Manufactured Products

Licensing/Regulatory Information

General workplace legislative and regulatory requirements apply to the units in this skill set; however there are no specific licensing or certification requirements at the time of publication.

Skill Set Requirements

Units FPICOR3204B Visually assess materials
 FPICOT2210B Tally material
 FPICOT3245B Grade, sort and mark material

Target Group

This skill set is for people who grade, sort and mark material in a forest products factory setting that produces finger jointed timber.

Suggested words for Statement of Attainment

These competencies from the FPI11 Forest and Forest Products Training Package meet the industry requirements to visually evaluate material characteristics and features for classification into various strength or appearance grades suitable for the production of finger jointed timber.
